

PRESS RELEASE

Monaco, 6th August 2019

**Casino Nomad is taking up summer residence in Monaco:
Black Jack, Roulette and Texas Holdem Poker tables have been set up at
Blue Gin, Monte-Carlo Bay Hotel & Resort and at Jimmy'z Monte-Carlo
From 1st to 25th August 2019**

For the second year running, the Sun Casino is deploying its original concept of installing game tables in locations synonymous with nightlife and parties. You can discover this daring gamble by Casinos de Monaco from 1st to 25th August 2019. For this second season, the tables are back on the terrace of the Blue Gin bar at Monte-Carlo Bay Hotel & Resort and for the first time they will also be set up at the famous Monaco nightclub Jimmy'z Monte Carlo. Visitors will be able to make party rhyme with play and try their luck in time to the music.

Taking the thrill of the game to where the customers can be found

For this ephemeral game concept, Sun Casino has joined up with Monte-Carlo Bay Hotel & Resort and Jimmy'z Monte Carlo to offer a totally exclusive experience on the theme of partying and the thrill of the game.

Every evening from 1st to 25th August 2019, the Texas Holdem Ultimate, Black Jack and Monte Carlo roulette tables are taking their place on the terrace of the Blue Gin bar at the Monte-Carlo Bay Hotel & Resort. One Black Jack table and one English roulette table stitched by the fashion designer Philipp Plein have been set up at Jimmy'z Monte Carlo. Two iconic locations of the Group Monte-Carlo Société des Bains de Mer

for chic and festive evenings.

The star of the summer, the Monte Carlo Roulette, offers players the chance to win 35 times their bet and a Champagne celebration. An extra dash of adrenaline, fellowship and fun with the sea below and the sky above at the Blue Gin.

From 8 p.m., games will add to the atmosphere of one of the most favoured summer terraces at the Blue Gin bar, where you can be entertained by a view of the Mediterranean in a "lounge game" spirit. This opportunity is highly anticipated by the players who already tested and approved the experience last year.

The Casino Nomad will hit the dance floor at Jimmy'z a little later, around 11 p.m., joining clubbers from around the world to bring games back to the heart of the Sporting Monte-Carlo, just like in the past. The Black Jack table will take pride of place at the pagoda on the lagoon while the English Roulette will take its place in the indoor area.

"We are taking the Game to the places our customers can be found! After a successful test in 2018, we have decided to deploy our know-how to other legendary Group Monte-Carlo Société des Bains de Mer locations. This unique initiative by the Monaco casinos is the opportunity for a new audience to discover the thrill of table games and to offer them another vision of entertainment. We have become a creator of new

experiences, radiating a new image of casino games and breaking the codes,” said Pascal Camia, Managing Director of Gaming at Monte-Carlo Société des Bains de Mer.

To coincide with this new Casino Nomad event at the Blue Gin and at Jimmy’s Monte-Carlo, the My Monte-Carlo loyalty programme will be offering its members some special attention. For non-members, it is the opportunity to discover and join the programme and its many benefits on site to take advantage of the gifts distributed at the My Monte-Carlo kiosks installed specifically for the operation.

My Monte-Carlo, a new loyalty programme created by Monte-Carlo Société des Bains de Mer, offers clients of the Group customised services and exclusive advantages within the Resort when they collect loyalty points, to enjoy some unique experiences.
