**"Secret Games"**  
**An exceptional night at Casino de Monte-Carlo**  
**For insiders only!**

Casino de Monte-Carlo continues to lead the way in innovation, to ensure that guests to the iconic Casino, experience unique and memorable occasions. On Saturday 5<sup>th</sup> October, following the fantasy of the surreal dinners in 2017 and the "Lights of Gaming" dinner in 2018, the Casino de Monte-Carlo hand-picked 120 privileged guests to sample an evening of mystifying atmosphere of the clandestine cabarets and clubs of the Prohibition. This "Secret Games" evening combined luxury gaming with the style and impudence of the 20s in a fully immersive way. With time to absorb the surroundings, sip a cocktail and enjoy dinner before the final jackpot, there were spectacular performances of jazz, dance, burlesque and comedy produced by Lum.

**The best-kept secret on the Riviera**

Because it is forbidden, gaming is even more appealing... On 5<sup>th</sup> October, 2019, Casino de Monte-Carlo put on a thrilling and glamorous "speakeasy" event for an exceptional VIP evening, honoured by the presence of H.S.H. Prince Albert II of Monaco and H.R.H. Princess of Hanover. 120 VIP guests from 24 countries plunged into the mythical universe of the Roaring Twenties to enjoy an exceptional immersive experience. They were welcomed by an enigmatic door that opened thanks to a secret password that only they knew. They then walked through the casino corridors, discovering ultra-realistic sketches inspired by the Prohibition. Next, they took the Eiffel lift to a "Secret Room" for a photocall and a cocktail before discovering, with stupefaction, the casino Salons Privés, entirely transformed into a clandestine club!

A club with an ominous atmosphere where dancers acting as gamblers battled it out in a choreographed clash, a jazz band played great standards of music, before continuing with a series of original sceneries throughout the dinner orchestrated by Thierry Saez Manzanares, Executive Chef at Casino de Monte-Carlo.

There was a captivating opening show inspired by Busby Berkeley, followed by a jazz trio and a performance by the singer, actress and model Caroline Vreeland. Guests enjoyed the company of Mosh, an up-and-coming star of the Los Angeles burlesque scene, metamorphosed for the occasion into a mysterious and sulphurous queen of hearts. Dinner was enjoyed in a festive and extravagant atmosphere with the arrival of feathered dancers, to end with a monumental and surprising final jackpot. The evening then carried on around the gaming tables and slot machines in a stylish and jazzy ambience.
