KYLIE, Kiss Me Once Tour 2014

Saturday October 11th 2014 | 8:30 pm | Sporting Monte-Carlo

On Saturday October 11th, Kylie Minogue will be in Monaco for one exceptional concert on the Monte-Carlo Sporting stage as part of her European « Kiss Me Once Tour 2014 », during a sit-down concert, performing songs from her latest album: « Kiss Me Once ».

The Australian stars opus « Kiss Me Once », was released on March 17th 2014.
This is Kylie's 1st studio album since « Aphrodite » in 2010, and after she signed with Roc Nation Management.

Produced by Kylie Minogue and Sia, the album is a true return to the dance floor. Both artists co-produced and co-wrote the title song. The singer has also surrounded herself with many celebrities, including Pharrell Williams (who wrote the song « I Was Gonna Cancel »), but also other producers such as Ariel Rechtshaid (HAIM) on « If Only », MNEK on « Feels So Good », and Greg Kurstin on a bonus title « Sleeping With The Enemy ».

Kylie said: *«Making this album took some time, but I loved every minute of it! This is a moment of my life when I have experienced a great deal of change, and I am delighted with the result»*

The release of this latest album is also an opportunity for Kylie to announce dates for her upcoming tour. Passing through 15 countries, the artist, famous for her live shows, will perform the best and most loved songs from her old and new repertoire.
