

**Monte-Carlo Bay Hotel & Resort**  
**10 years of expertise in Conferences, Meetings and Incentives**

At the Monte-Carlo Bay Hotel & Resort, it's easy to combine business and pleasure! Boasting 10 years' experience and over 2,000 successful events, the Monte-Carlo Bay Hotel & Resort, with its unique sea-facing lagoon, promises to continue to be THE European reference for bespoke events organisation for many more years to come.

Perched on a vast peninsula, the newest resort belonging to Monte-Carlo Société des Bains de Mer is surrounded with lush gardens. Promoting a smart and relaxed spirit, it has 334 rooms with balconies – 75% of which have a sea view –, a swimming pool, a SPA Cinque Mondes and a unique sandy-bottomed lagoon.

The Monte-Carlo Bay Hotel & Resort can be fully privatised with bespoke facilities for professional events (15 adjustable rooms which can host up to 400 people, covering a total area of 1,340 sq.m). With its heliport in addition, it is by definition THE hotel for key events and MICE. Most of the Business Center rooms, all on one floor, have natural daylight and sea view. The 356 sq.m Salle America, also sun-drenched, can host up to 270 people for dinner, 340 for a work session and 350 for a cocktail. It opens onto a terrace with access to the adjacent gardens. Thanks to this layout and exceptional facilities, the Hotel makes over one third of its turnover from business tourism.

Lastly, the Hotel is just a stone's throw from the famous Salle des Étoiles, Salle des Palmiers and Le Jimmy's nightclub, thus offering the services and positioning of a fully integrated hotel complex within walking distance of historical Monte-Carlo.

The Salle des Etoiles, which has welcomed the biggest stars, such as Rihanna, Elton John, Robbie Williams, Kylie Minogue and more recently Mike Tyson, can host up to 950 people. It owes its name to its 1, 000 sq.m removable roof weighing 180 tonnes, which offers a view of

the stars for unforgettable and exceptional evening events. It is a world record in itself and undeniably one of the most fascinating halls in Europe. The prestigious and idyllic Salle des Etoiles is also the backdrop for major events in the Principality, such as the Monte-Carlo Sporting Summer Festival and the Bal de la Rose. As for Salle des Palmiers, this hall is used for seminars and large-scale banquets up to 520 people. The Monte-Carlo Bay Hotel & Resort is much more than just a complex; it is the signature of a unique Monte-Carlo experience, thought up by Monte-Carlo Société des Bains de Mer.
