

**Get ready for an exceptional New Years Eve
at Monte-Carlo Bay Hotel & Resort**

Monte-Carlo Bay Hotel & Resort is concocting a festive New Years atmosphere by creating a program inspired by famous musicals re-enacted throughout the hotel.

A transformed setting, trendy and fun amenities and many more surprises await you as the countdown approaches.

To begin, in the lobby, a « Rock'n Roll » cocktail, straight out of the 50's: « Grease is the Word »! The « T-Birds » and « Pink Ladies » will revamp the hit musical around a champagne bar open from 6:30 pm to 8:30 pm, with amazing acrobatic dancing!

Restaurant L'Orange Verte will be steeped in a Latin mood, for a sneak preview of the new fashionable musical « Soy de Cuba ». Led by outstanding dancers, Mambo, Salsa and Lambada will be completely revealed on this trip to Havana!

Menu : 220€ drinks not included – 1 complimentary glass of champagne at midnight

Blue Bay Restaurant will be transformed into a « New-York, New-York » environment. Liza Minelli and Franck Sinatra's favourite tunes will accompany a top gastronomy menu created by the talented Chef Marcel Ravin.

Menu: 360€, ½ bottle of champagne included – 1 complimentary glass of champagne at midnight

At the Blue Gin, 2015 will arrive to the tunes of « Mamma Mia » and trendy DJ John Lorenz, to become the « Dancing Queen » of the night! The 12 strokes of midnight will be uproarious, and the evening memorable.
