## **The oenological months of the Hotel Hermitage Monte-Carlo**

**In its pursuit of excellence, the Hotel Hermitage Monte-Carlo invites its clientele to discover “Les Grands Crus” from the 1<sup>st</sup> of September to the 14<sup>th</sup> of December 2014**

An initiative wished by Pascal Camia, the General Manager of the 5 star palace and jewel of the Monte-Carlo Société des Bains de Mer: the creation of a custom-made offer, with a unique personalized service, particularly adapted to wine connoisseurs and to a clientele accustomed to the best.

The Hotel Hermitage Monte-Carlo opens its wine cellar and unveils the largest selection of “Grands Crus” for a unique experience. It offers the opportunity to discover prestigious wine in a “Belle Epoque” style where the timeless tradition of “L’art de Vivre” meets the vineyard technique excellence.

The oenological months establish the prestige and reputation of the Hotel Hermitage Monte-Carlo, representing the “savoir vivre” of the Riviera throughout the world.
