CASINO DE MONTE-CARLO PRESENTS

TARKAN

EXCEPTIONAL CONCERT

Friday October 30th 2015 at the Sporting Monte-Carlo

Following his highly praised performance at the Sporting Monte-Carlo in August 2014, Tarkan returns to Monaco on Friday October 30th. It is still open to guess whether the singer of the celebrated hit *Kiss Kiss* will inflame or embrace the Salle des Etoiles audience; one thing, however, is for sure: "We will dance, dance and dance...." (Tarkan).

With some 30 million records sold across the globe, Tarkan is the undisputed star of Turkish pop. The one nicknamed « The Prince of the Bosphorus » gained celebrity status in Europe with the single *Simarik*. Remember...the phenomenal success, known as *Kiss Kiss*, was on everyone's lips and sold over 1 million copies!

The singer then released « Come Closer », his only album sang in English, with the participation of the rapper Wyclef Jean. Produced in New York, it launches his international career. His songs, woven into the rich and colourful tapestry of Turkish culture, contain a pop rhythm that creates a mesmerizing musical fusion, bringing together all aspects of the Mediterranean; the East meets the West with Tarkan, to our greatest delight.
