

PRESS RELEASE  
Monaco, 18 June 2020

## Reopening of Hôtel Hermitage Monte-Carlo With new features to enjoy starting 1 July 2020

From 1st July, after an unprecedented 80-day closure, Hôtel Hermitage Monte-Carlo and all staff at the historic palace are delighted to once again be able to greet their valued customers. To receive them safely, a full and certified health system has been introduced, already tested in other Monte-Carlo Société des Bains de Mer Group establishments which have reopened. Customers will be able to rediscover the timeless charm of Hôtel Hermitage Monte-Carlo, along with some lovely new surprises to satisfy children and adults while enjoying the unique experience of the luxurious lifestyle proposed by Resort Monte-Carlo Société des Bains de Mer.

From this date, the hotel will once again be able to safely accommodate guests to everyone's delight. Until 17 July, the Limun Bar will be the main restaurant for the whole hotel, open from 7am to 10.30pm, in addition to Room Service, available 24/7 at the customer's request. Staying at Hôtel Hermitage Monte Carlo gives direct and exclusive access to Thermes Marins Monte-Carlo from the hotel, which welcomes you for a much-awaited moment of relaxation and well-being. A shuttle service takes our customers to the Mediterranean at the Monte-Carlo Beach Club, where they can make use of the private beach and Olympic-sized saltwater swimming pool, .

### **Discover chic "Bistro" cuisine at the Vistamar as of 17 July 2020**

In a drive to offer something new whilst holding on to its timeless values, the Vistamar catering teams at Hôtel Hermitage Monte-Carlo have taken advantage of this closure period to redesign the restaurant's gastronomic offering and propose food lovers a brand new concept.

From 17 July, Le Vistamar will be open from 7am to midnight, from breakfast to dinner, both indoors and on the large terrace that overlooks the Mediterranean, embracing Hercule Port, the rock and the palace of Monaco in one look.

The bistro offer is divided into two moments for a resolutely chic style: a “Chic Bistro” at lunchtime for a relaxing interlude on the terrace, where fresh and simple products will be spotlighted; “Gourmet Chic” in the evening with noble and delicious products for a moment of sharing among friends of family.

### **New surprises in the rooms for children and adults**

Hôtel Hermitage Monte-Carlo is a place where time stands still, ideal for getting together with family. To continue to keep children and adults happy, the hotel is strengthening its children's facilities when it reopens with the “In room Kids Club”. A treasure chest will be delivered to the rooms of children up to the age of 12 to keep them entertained during their stay with creative and board games. This in-room attention ensures continuity until the Kid's Room reopens.

Another new feature to discover, this time for adults, as soon as they arrive in their room: the new partnership with the luxury cosmetic brand *Acqua di Parma* and the thoroughly Mediterranean spirit of its “Blu Mediterraneo” collection. Available in the entire range of bathroom products, this new association is unique and exclusive to Monaco.

### **Hôtel Hermitage Monte-Carlo at the centre of the most exclusive destination in Europe**

Just a short walk from One Monte-Carlo, the new fashion district, Hôtel Hermitage Monte-Carlo offers a unique shopping experience that rounds out the no less exceptional one reserved by Monte-Carlo Société des Bains de Mer: free access to Thermes Marins Monte-Carlo, Casino de Monte-Carlo, and Monte-Carlo Beach Club, with associated shuttle service. This summer, let us surprise you and take you to a universe of recreation and rediscovered pleasures.
