

PRESS RELEASE

Monaco, 14 June 2022

## With COYA Monte-Carlo and Jimmy'z Monte-Carlo The best nightlife in Monaco is at Sporting Monte-Carlo

This summer, Sporting Monte-Carlo is living up to its reputation as the setting for the best nights in Monaco with COYA Monte-Carlo and the legendary Jimmy'z Monte-Carlo. Two night-life icons for perfect summer nights. The big change in 2022 is the COYANCHA experience, launched for the brand's 10th anniversary, and exclusively available at COYA Monte-Carlo. A zestful COYA concentrate, for an atmosphere that is even more festive. And to keep the party going throughout the night, head to the dance floor at Jimmy'z Monte-Carlo, the iconic Riviera club, where beautiful people from every corner of the world and the hottest DJs are to be found. At Sporting Monte-Carlo, the art de vivre of Monte-Carlo Société des Bains de Mer is a night-time experience.

### COYANCHA, a unique experience by COYA Monte-Carlo

COYA, the concept restaurant brand of Peru-inspired flavours and partying, born in London in 2012, is celebrating its 10th birthday this year. The party will be in full swing at Sporting Monte-Carlo where COYA has been enjoying tremendous success since its arrival in 2018. With Jimmy'z Monte-Carlo, this lifestyle concept forms the essential duo for summer nights in the principality.

For this anniversary season, the teams at COYA Monte-Carlo have come up with an exclusive concept: COYANCHA. From Thursday to Saturday, a completely private space promises an atmosphere that is even more festive than usual for a happy few. Pisco cocktails, dinner prepared with spices and love by Victoria Vallenilla, all in time to the beat of the live music, DJ sets and swaying dancers, COYANCHA is more than just a concept night; it is a performance party to experience with friends. ### COYA's 10th anniversary holds more surprises in store with the "Noche Blanca" and "Rituals" nights

Music is an integral part of the COYA brand DNA, and it has launched its own record label - COYA Music - under the direction of Stéphane Petit. Spearheaded by the resident DJs, COYA music is vibrant, notable for its House Tribal beats and it is available on EP and podcast soundtracks.

Make a date in your diary for 21 June and the "Noche Blanca" night, dressed head to toe in white, and get ready for the "Rituals" nights on 19 July and 9 August, organised by COYA Music. "Rituals" is above all the opportunity

to be spellbound by a Peruvian tribal ritual. Dancing and cocktails inspired by the country are accompanied by melodic techno beats.

Note also the return of “Pisco Bar”, the place to meet from 7.00pm to 2.00am to enjoy delicious cocktails and street food specialities to share from the new “Taste of Lima” menu, created by chef Victoria Vallenilla, to the Latino beats.

### Jimmy’z Monte-Carlo, where the party goes on all night

The most iconic Club on the Riviera, Jimmy’z Monte-Carlo has been making *beautiful people* dance for over 40 years - celebrities from the world of sport, cinema and show-business ... – in the heart of Monte-Carlo at the tip of the Larvotto peninsula. Summer 2022 sees the return of party nights, with the hottest electro DJs who all gather there. It is a fitting tribute to Regine, the person behind this institution, who passed away this year.

#### About Monte-Carlo Société des Bains de Mer Group

Since 1863, Monte-Carlo Société des Bains de Mer has been offering an exclusive lifestyle in a world-unique Resort with the Monaco Casinos, including the prestigious Casino de Monte-Carlo, four hotels (Hôtel de Paris Monte-Carlo, Hôtel Hermitage Monte-Carlo, Monte-Carlo Beach, Monte-Carlo Bay Hotel & Resort), the Thermes Marins Monte-Carlo, and 30 restaurants, including four with a total of seven Michelin stars. A hub of night-life, the Group offers a wonderful range of events. The metamorphosis of Hôtel de Paris Monte-Carlo, the creation of One Monte-Carlo (luxury residences, shopping, restaurant, conference centre), and the new Place du Casino contribute to make Monte-Carlo the most exclusive experience in Europe.
