### **Decor**

A century after the 20s, we find the madness of a cabaret. Between Hollywood and Paris, at nightfall, the stage is transformed to reveal extravagant characters and decor that evolve until dawn with elegance.

The metamorphosis towards the aurora borealis with its acidulous colors leads all the guests during a « soirée Folle ».

### **The show & the artists**

The artists' collective House of Drama has imagined with Christian Louboutin a show that takes us back in time. It takes us on a colourful journey through the century from Bauhaus to Art Deco to Disco.

The evening will be marked by performances of **Charly Voodoo**, pianist-composer, performer and cabaret artist, **Dita Von Teese**, the world's biggest name in burlesque, the extravagant choreographer & dancer **Amélie Poulain**, **Marawa**, and her high heeled roller skates, the glowing disco diva **Corine**, and DJ **Amina**.
