Monaco, 16th November 2023

**New at Thermes Marins Monte-Carlo:
A pop-up spa by British brand ELEMIS in place until spring 2024**

On November 18th, Thermes Marins Monte-Carlo will be welcoming a new pop-up spa by London brand ELEMIS. Following the success of various brands since 2022, for the end of this year and until next spring, the flagship spa of Monte-Carlo Société des Bains de Mer has chosen to team up with THE British reference in skincare, ELEMIS. With this pop-up spa, Thermes Marins Monte-Carlo hosts the first spa by the British brand in Monaco. The innovative capacity of Thermes Marins Monte-Carlo with its associations contributes to reinventing the luxury lifestyle on which the reputation of Monte-Carlo Société des Bains de Mer has been founded for 160 ans.

British brand ELEMIS is taking up residence in Thermes Marins Monte-Carlo until spring 2024

With over 30 years of expertise and available in over 45 countries, ELEMIS is a skin wellness brand with an aromatherapist's soul, an artist's spirit and a scientist's commitment to results. Founded in London in 1989, its founder, Linda Steiner, created a skincare range as close to nature as possible with one absolute priority: offer proven results thanks to sensory skincare products combined with advanced and patented technology. To achieve this, the products, which have won numerous beauty awards, are dedicated to the face and body with revolutionary formats, spa treatments, food supplements, and more.

The brand is based on strong foundations aligned with those of Thermes Marins Monte-Carlo:

Skin Wellness: products that protect the skin's unique microflora and fight off daily aggressors, whilst promoting a healthy acid mantle.

Proven Results: every new ELEMIS formula is rigorously tested to ensure maximum efficacy, and our powerful active ingredients deliver clinically-proven results.

Feel-Good Skincare: with a foundation in aromatherapy, our products are thoughtfully created with natural fragrances and sublime textures.

Transparent Innovation: all of the products are developed in the ELEMIS Innovation Hub in London and manufactured in England, with the highest standards in quality and safety.

Exclusive ELEMIS Treatments x Les Thermes Marins Monte-Carlo

In 2023, ELEMIS received B Corp certification. This certification contributes to the objective to become the most sustainable British luxury skincare brand by focusing on the protection and restoration of biodiversity whilst making a more positive impact on the climate and health.

To offer customers a unique experience while respecting the environment, the brand is committed to preserving the health of the skin and body while adopting an approach. The aim is to protect and restore biodiversity, to generate a positive impact on the climate for a more promising future. Face, body and signature treatments designed in harmony with nature for the well-being of the skin are proposed throughout the duration of this pop-up.
