PRESS RELEASE
Monaco, 14 March 2025

In 2025, Jimmy'z Monte-Carlo puts itself at the heart of Monaco's night life

After celebrating its 50th anniversary last year, the legendary Jimmy'z Monte-Carlo is back for a new season. Starting on 28 March 2025, the Principality's famous club will be setting Monaco's nights alight in a new format, combining music trends and a festival spirit. With a well thought-out programme and a redesigned interior, the iconic night-life brand made in Monte-Carlo is ready to launch its 2025 season, with some of the best sounds of the moment, to continue to write its legend.

A new format for the 2025 season

The new season kicks off on 28 March 2025, the day before the prestigious Bal de la Rose. A new programme and a new dance floor promise the spirit of a real electro festival for a supercharged experience.

This year, Antonio Ierone, director of Jimmy'z Monte-Carlo, will be relying on Michel Saurin, who joins Monte-Carlo Société des Bains de Mer as the group's electro-clubbing musical manager, in charge of giving Jimmy'z an assertive and trendy artistic identity and of ensuring the consistency of the electro entertainment offer within the group's establishments.

Better known as "Mitch" or by the name of his label, Essence of Time, this French DJ has over 20 years' international experience. From Saint-Tropez to New York via Hong Kong, Courchevel and Brazil, the artist has collaborated with prestigious establishments and events all over the world.

In a constantly changing universe, Jimmy'z Monte-Carlo is therefore giving itself the means to meet all the expectations of a clientèle wanting more than a party restaurant and wanting to feel as if they're at a Monte Carlo-style electro festival.
