Festival des Etoilés Monte-Carlo 2025: The greatest starred chefs are meeting again on 10 April

Monaco, 13 March 2025 - Over the past five years, this annual event has become the unmissable rendezvous for gastronomy in the Principality of Monaco. Festival des Etoilés Monte-Carlo is back on 10 April for its 2025 edition. Following on from last year's edition, dedicated to the 150th anniversary of the Wine Cellars at Hôtel de Paris, this fifth Festival will be serving up new, high-flying dinners prepared by chef duos. For this occasion, the starred chefs from Monte-Carlo Société des Bains de Mer Group will be hosting top names in French and international gastronomy, before all meeting up for the traditional seven-Michelin-star gala dinner.

An exceptional reunion of the greatest chefs in Monte-Carlo

With seven Michelin stars, Monte-Carlo Société des Bains de Mer is the most star-awarded resort in Europe and one of the most emblematic groups in the world in the field of high-class gastronomy and the luxury lifestyle. With a history of 162 years and over 30 restaurants and bars, the Group spotlights the immense talent of its chefs through a unique and annual event for fine diners: the Festival des Etoilés Monte-Carlo.

The event gets under way on **10 April** at Le Grill*, at the top of Hôtel de Paris Monte-Carlo. **Dominique Lory**, executive chef of this palatial hotel and its iconic Grill*, will welcome **Pierre Gagnaire**. Dominique Lory worked alongside him 25 years ago. Meeting Pierre Gagnaire was decisive in his career and it is a great pleasure for Dominique to welcome him. But that's not all; Dominique Lory comes from the same village as Thierry Méchinaud, chef de cuisine at Restaurant Pierre Gagnaire*** in Paris, who will also be present for this dinner.

The second opus will be played on **20 June** at Louis XV-Alain Ducasse à l'Hôtel de Paris***, where the most starred chef in the world, **Alain Ducasse**, will welcome Spanish chef **Albert Adrià**, alongside Emmanuel Pilon. The mastermind of the famous elBulli (Roses) together with his brother Ferran, Albert Adrià is currently at the helm of Enigma (Barcelona), with a Michelin star. The two top chefs will be meeting again after their brilliant collaboration in the ADMO pop-up restaurant project (Paris, 2021-2022).

The third duo will meet on **13 July** at "Hôtel des Connaisseurs", Hôtel Hermitage Monte-Carlo. Multi-starred chef **Yannick Alleno** will welcome Italian chef, **Davide Oldani**, two-starred chef in the province of Milan, in his Pavillon in Monaco. Considered one of the most influential chefs of his generation, Davide Oldani is also the inventor of "Cucina Pop", which combines simple products and ingredients with sophisticated flavours and textures. The two friends promise a great moment of conviviality and surprise.

Finally, on **18 July**, the Blue Bay Marcel Ravin**, starred restaurant in the Monte-Carlo Bay Hotel & Resort, will deliver the fourth opus of this festival with another exceptional duo. Double-starred chef **Marcel Ravin** has invited **Anne-Sophie Pic**, chef of Restaurant Pic*** in Valence, to share her sensitive and bold cuisine. She is currently the world's most starred female chef. A dinner worthy of the "Grandes Tables du Monde" which brings these two chefs together for the first time.

This fifth edition of Festival des Etoilés Monte-Carlo will close, as is tradition, with a large gala dinner, which will take place this autumn in the Principality of Monaco in one of the prestigious settings of Monte-Carlo Société des Bains de Mer.
