New partnership at Monte-Carlo Bay Hotel & Resort with the Clarins & myBlend Spa

Monaco, 13 March 2025 - To celebrate its 20th anniversary, Monte-Carlo Bay Hotel & Resort is launching a brand new wellness offer in partnership with Clarins Group and its two emblematic brands. From 4 April, the new Clarins & myBlend spa will offer the beauty expertise of the family group, Clarins, together with the elegance and easy-going lifestyle of Monte-Carlo Société des Bains de Mer Group's most contemporary hotel.

After 70 years in business, and in a unique format in the Principality of Monaco, the famous Clarins is settling down in the heart of the Monte-Carlo Bay Hotel & Resort. A unique partnership that will bind the Clarins brand, specialised in the virtues and properties of plants for beauty, and myBlend, expert in technological innovation.

Operating in over 150 countries, Clarins, founded in 1954 by Jacques Courtin and now managed by his son, Doctor Olivier Courtin-Clarins, and his granddaughter, Virginie Courtin, has earned its reputation for its scientific approach to plants and profound respect for nature. It is on this basis that Olivier Courtin developed myBlend, which reinvents personalised beauty and is committed to revolutionising skincare through innovation, sensory experiences and *beauty tech*.

Monte-Carlo Bay Hotel & Resort, an establishment committed to more sustainable and responsible luxury since its creation in 2005, always on the lookout for innovations, was the ideal setting for the family business which is an international leader in natural skincare. From 4 April, the Clarins & myBlend Spa will be occupying a 900 square-metre space bathed in soft light. Its team of experts is ready to offer you personalised treatments and massages using products from both the Clarins and myBlend lines.
