Salle des Etoiles, Sporting Monte-Carlo

Under the High Patronage of H.S.H. Prince Albert II of Monaco

Under the Presidency and in the Presence of H.R.H. The Princess of Hanover

Designed by Christian Louboutin

The 70th edition of the Bal de la Rose is held in aid of the Princess Grace Foundation

With the participation of Stéphane Bern

For this new edition of the 2026 Rose Ball, H.R.H. The Princess of Hanover, President of the Princess Grace Foundation, has chosen the theme "Galaxy Rose Ball" and has once again given her friend Christian Louboutin carte blanche to design this 70th edition of the Rose Ball. Benoît Miniou, a visionary designer at the crossroads of research and imagination, has joined the collaboration.

THE SETTING

For its 70th edition, the Bal de la Rose invites guests on a journey into space. For the occasion, the Sporting Monte-Carlo will be transformed into a monochrome space shuttle, while the Salle des Etoiles will be adorned with portholes that will change color according to the planets explored during the evening. A galactic setting, complemented by sound and light effects and immersive laser shows, worthy of the greatest space adventures.

THE SHOW AND THE PERFORMERS

For this Galaxy Ball de la Rose, no fewer than seven artists will perform on the stage of the Salle des Etoiles.

The **Rondò Veneziano** group will open the Ball, offering a performance where Venetian Baroque elegance meets contemporary music.

Next up is the famous Parisian cabaret **Crazy Horse**, whose exquisite dancers will perform amid kaleidoscopic lighting effects and graphic projections.

Dance will once again take center stage with **Ballet Kalinka**, which continues the great Russian tradition of character dance, immortalized by the Moiseyev Ensemble. The Berlin-based **Dulce Compania** will then offer a fabulous performance on stilts, in glamorous, custom-made costumes. The internationally renowned choreographer and artistic director duo, **Céline and Cain Kitsaïs**, combine dance with spectacular stage effects.

Finally, **Leee John** and his iconic 1980s band Imagination will pay tribute to British soul, jazz, and funk music, before DJ Josh Quinton gets the dance floor pumping until the early hours.
