

## Between electro, rap, and disco nights, Jimmy'z Monte-Carlo promises an even more festive season in 2026

News Flash – Monaco, April 10, 2026 – Its new setup won over the public last year; in 2026, Jimmy'z Monte-Carlo continues to evolve with a festival spirit with an ambitious lineup and themed nights. With a rich program featuring dancers and resident DJs, the most influential international artists from the rap and electro scenes, and “Made by Jimmy'z” nights, the Riviera's most iconic club — founded over 50 years ago — continues to write its legend.

Since reopening on March 20, Jimmy'z Monte-Carlo has set the tone for the season with its first Villanova-branded disco night and a performance by Brazilian DJ Marina Diniz. The program continues this Friday, April 10, with a performance by renowned DJ Francis Mercier for the first night in collaboration with COYA Monte-Carlo.

Four other special nights will be held throughout the season, in partnership with the Sporting Monte-Carlo's festive restaurant, further cementing Monte-Carlo Société des Bains de Mer's status as a must-visit destination for Monaco's most spectacular nights.

Other big names from the nightlife scene are also expected throughout the summer, including DJs Alex Wann and Carlita, American rapper Quavo, and, of course, international star Bob Sinclar on September 25, who will close out the season. At the same time, Jimmy'z Monte-Carlo is reinventing itself with the launch of seven Disco Club nights, paying tribute to the best sounds of the disco era.
